Dear Sir:

Applicant hereby petitions for withdrawal of a holding of abandonment as reflected in a Notice of Abandonment dated October 1, 2002 ("the Notice") in the above-referenced application for patent ("the application"). The basis for this holding of abandonment was an alleged failure by Applicant to timely respond to an Office Action dated November 30, 2001 ("the Office Action").

Applicant hereby submits the following evidence:

OFFICE OF PETITIONS

1. A Declaration of Ross T. Robinson regarding non-receipt of the Office Action and telephone communications to Examiner Pablo Tran and Examiner Pablo Tran's supervisor, Examiner Daniel Hunter;

2. A Declaration of Sharon K. Elkouri regarding a telephone conversation with Examiner Pablo Tran on September 6, 2002; and

3. A Declaration of Susan J. Williams regarding non-receipt of the Office Action.

On or about September 6, 2002, Sharon K. Elkouri spoke with Examiner Pablo Tran of the United States Patent & Trademark Office ("USPTO").¹ Examiner Tran told Ms. Elkouri that he was calling to determine if the above-referenced patent application had been intentionally abandoned and informed Ms. Elkouri that the USPTO had not received a response to the Office Action.² Ms. Elkouri informed Examiner Tran that the Office Action did not appear to have been received by Jenkins & Gilchrist.³ Examiner Tran told Ms. Elkouri that he was checking the USPTO file for the application.⁴ Examiner Tran then informed Ms. Elkouri that the Office Action had been mailed to AT&T and to the wrong address and that he would re-send the Office Action and re-start the time for reply to the Office Action.⁵

On October 4, 2002, Applicant's representative received the Notice.⁶ The Notice asserts that the application has become abandoned for failure by Applicant to respond to the Office Action, which is

asserted by the Notice to have been mailed to Applicant on November, 30, 2001. The Notice, which was addressed to Spencer C. Patterson, was routed to Ross T. Robinson, since Mr. Patterson had left Jenkins & Gilchrist, P.C. at the time the Notice was received by Jenkins & Gilchrist, P.C.⁷ As of today's date, the Office Action dated November 30, 2001 still has not been received by Applicant's representative.⁸

A search of the file jacket and docket record for the above-referenced matter do not indicate that the Office Action was ever received by Applicant's representative.⁹ Had the Office Action been received and docketed, the Office Action would have been entered in Applicant's representative's docket system as having been mailed on November 30, 2001, a response date of February 28, 2002 would have been entered in the docketing system, and one-month, two-month, and three-month extension dates of March 30, 2002, April 30, 2002, and May 30, 2002 would have been entered in the docketing system.¹⁰ No such entries are present for the application.¹¹

On October 8, 2002, the Notice of Abandonment was reviewed. A review of Ms. Elkouri's recollection and notes of her telephone conversation of September 6, 2002 with Examiner Pablo Tran was also undertaken.¹² Examiner Tran was again telephoned on or about October 29, 2002 and on or about November 11, 2002 to determine when to expect the Office Action to be re-sent as indicated by Examiner

Tran in his telephone conversation with Ms. Elkouri of on or about September 6, 2002.¹³ On or about both October 29, 2002 and November 11, 2002, a voice message was left at Examiner Tran's office number.¹⁴ The undersigned believes that, in each voice message, he reiterated the substance of Examiner Tran's conversation with Ms. Elkouri, referenced the Notice, and requested that Examiner Tran return his call and advise when he should expect to receive the re-sent Office Action.¹⁵ A return telephone call or other communication from Examiner Tran was not received in response to the telephone calls by the undersigned to Examiner Tran of on or about October 29, 2002 and November 11, 2002.¹⁶

On November 19, 2002, a telephone conversation was had with Examiner Daniel Hunter, who, upon information and belief, is Examiner Tran's supervisor.¹⁷ Examiner Hunter was informed of Ms. Elkouri's conversation with Examiner Tran.¹⁸ The Notice of Abandonment and the unreturned telephone calls to Examiner Tran were also discussed.¹⁹ Examiner Hunter informed the undersigned that Examiner Tran would make a return telephone call.²⁰

After having not received any return telephone call from Examiner Tran or Examiner Hunter in response to the telephone conversation of the undersigned with Examiner Hunter of November 19, 2002, an additional call to both Examiner Hunter and Examiner Tran was made on December 9, 2002.²¹ A voice message was left on December 9, 2002 with each of Examiner Tran and Examiner Hunter.²² A return telephone call from Examiner Tran was received on December 10, 2002.²³ In this return telephone call, Examiner Tran informed the undersigned that he had recalled the file for the above-referenced matter and suggested that, while the file was en route to him, the undersigned file a petition to withdraw the holding of abandonment and the notice of abandonment in the above-referenced matter.²⁴

In view of the foregoing, Applicant respectfully requests withdrawal of the holding of abandonment. Applicant also respectfully requests that a copy of the Office Action dated November 30, 2001 be immediately forwarded to the undersigned.

As an alternative, Applicant Petitions to Revive this Application under the standards of either unavoidable and/or unintentional abandonment. Applicant is doing so solely as a "fall back" position. Applicant's primary relief is sought under the provision of 37 CFR 1.181 with respect to the non-receipt of mail and the procedures set forth in MPEP 711.03(c) by the United States Patent and Trademark Office. If, for some reason, the Petition to Withdraw the Holding of and the Notice of Abandonment is denied, Applicant conditionally makes this Petition to Revive under the unavoidable standard. In the event that the

Petition to Revive under the unavoidable standard is denied, Applicant conditionally makes this Petition to Revive under the unintentional standard. All appropriate fees for any of the Petition(s) made herein can be taken from Deposit Account No. 10-0447. Applicant respectfully submits that the Petition to Revive the application under either the standard of unavoidability or unintentionality should be granted based upon the evidence and arguments submitted herein. Applicant respectfully submits that the entire delay in filing the required reply to the Office Action from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional and that it is believed that Applicant has acted diligently.

Applicant further respectfully requests and petitions the Commissioner to exercise the Commissioner's authority to waive any and all rules under the provisions of 37 CFR 1.183 as necessary to revive the status of this Application as it would have been prior to the Notice of Abandonment, to forward a copy of the Office Action dated November 30, 2001, to restart the period of response to the Office Action, and to promptly notify Applicant of the decision on the Petitions made herein. The fee required to be submitted in connection with a petition under 37 CFR 1.183 may be debited from Applicant's representative's Deposit Account No. 10-0447. This Petition is being submitted in duplicate. Upon receipt of the Office Action dated November 30, 2001, Applicant's representative will endeavor to respond to the Office Action as soon as possible.

It is not believed that any fees are due in connection herewith. However, should it be determined that any fees are required, the USPTO is authorized to charge any fees necessary for the processing of these Petition(s) and related papers to Deposit Account No. 10-0447.

Respectfully submitted,

Dear Sir:

DECLARATION OF ROSS T. ROBINSON

I, Ross T. Robinson, do hereby state and declare:

1. I am a registered patent attorney and I am employed by the firm of Jenkins & Gilchrist, P.C. This declaration is submitted in support of a Petition to Withdraw Holding of Abandonment in the above-referenced matter.
2. A Notice of Abandonment mailed October 1, 2002 references an Office Action dated November 30, 2001 ("the Office Action"). The Notice of Abandonment, which was addressed to Spencer C. Patterson, was routed to me on or about October 8, 2002, since Mr. Patterson had left Jenkins & Gilchrist, P.C. at the time the Notice of Abandonment was received by Jenkins & Gilchrist, P.C. As indicated in the Declaration of Susan J. Williams submitted herewith, upon information and belief, the Office Action was never received by Jenkins & Gilchrist, P.C.

3. I have searched the file jacket and docket record for the above-referenced matter. The file jacket and docket record do not indicate that the Office Action was ever received by Jenkins & Gilchrist, P.C. A copy of the docket record for the above-referenced matter is attached hereto as Exhibit A.
4. Had the Office Action been received and docketed, the Office Action would have been entered in our docketing system as having been mailed on November 30, 2001, a response date of February 28, 2002 would have been entered in our docketing system, and one-month, two-month, and three-month extension dates of March 30, 2002, April 30, 2002, and May 30, 2002 would have been entered in our docketing system. No such entries are present for the application. See Exhibit A.
5. As of today's date, I have not received a copy of the Office Action.
6. On October 8, 2002, I reviewed the Notice of Abandonment. I reviewed with Sharon K. Elkouri of Jenkins & Gilchrist, P.C. her recollection and notes of her telephone conversation of September 6, 2002 with Examiner Pablo Tran. See Declaration of Sharon K. Elkouri. Based upon a description by Ms. Elkouri of her conversation with Examiner Tran, I expected the Office Action to arrive in the mail in the near future. I therefore made a reminder note to follow up with Examiner Tran if the Office Action did not arrive in the near future.
7. I telephoned Examiner Tran on or about October 29, 2002 and on or about November 11, 2002 to determine when to expect the Office Action to be re-sent as indicated by Examiner Tran in his telephone conversation with Ms. Elkouri of September 6, 2002. I believe that I also called Examiner Tran prior to my call on or about October 29, 2002. On both on or about October 29, 2002 and on or about November 11, 2002, I left a voice message at Examiner Tran's office number. I believe that, in each voice message, I reiterated the substance of Examiner Tran's conversation with Ms. Elkouri, referenced the Notice of Abandonment, and requested that Examiner Tran return my call and advise when I should expect to receive the re-sent Office Action.
8. After having received no return telephone call or other communication from Examiner Tran, on November 19, 2002, I spoke on the telephone with Examiner Daniel Hunter, who, upon information and belief, is Examiner Tran's supervisor. I described to Examiner Hunter Ms. Elkouri's conversation with Examiner Tran in which, upon information and belief, Examiner Tran informed Ms. Elkouri that a re-

sent Office Action would be forthcoming. I also referenced the Notice of Abandonment and my telephone calls to Examiner Tran. Examiner Hunter informed me that Examiner Tran would return my call.

9. I called both Examiner Hunter and Examiner Tran again on December 9, 2002. I left a voice message with each of Examiner Tran and Examiner Hunter. I received a return telephone call from Examiner Tran on December 10, 2002. In this return telephone call, Examiner Tran informed me that he had recalled the file for the above-referenced matter and suggested that, while the file was en route to him, I file a petition to withdraw the holding of abandonment and the notice of abandonment in the above-referenced matter.
